Notes:

1. GAC MOTOR strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options or option packages are available separately and some may not be available in all regions of the country. Please consult your local GAC MOTOR dealer for more detailed information on available options or option packages, including configurations, service, parts and accessories.
2. Seatbelts should be worn at all times.
3. This brochure is for presentation purpose only. The included information, pictures, illustrations, features, design, performance, dimensions herein are intended only as a general guidance to assist the buyer to form an initial view of the offered products and its specifications, which might not correspond completely to a certain category. Some vehicles are shown with available equipment.
4. All information presented herein is based on data available at the time of publication and is subject to change without prior notice and pertains specifically to Middle East areas only (may differ in other areas).
5. The vehicle shown in the brochure does not completely align with the actual model. Please contact your local GAC MOTOR dealer for more details about the actual available models in your region.
6. The GAC trademark mark, vehicle model names, vehicle body designs and other marks and designs appearing in the brochure are the IP rights of GAC MOTOR, its subsidiaries, affiliates or licensors.
